BE PREPARED

Winter is here again, and it's important to be prepared for the short days, dark nights and cold temperatures. Look after your personal resilience and well-being by making sure that you have prepared well in advance. For those people who have an assistance alarm you may wish to consider this if you are on medication of any sort, or have any special medical needs.

Message in a Bottle is a scheme offered by the Lions charity in Oxfordshire. It helps emergency responders or staff to know that you use medication or have medical needs, should they have to assist you. It's a simple scheme: the bottle contains your medical list and lives in your fridge, whilst the sticker goes on your door to alert emergency personnel. Be a good neighbour and promote the Message in a Bottle scheme to your friends who use medication. The Emergency Services will look for the **GREEN CROSS SYMBOL** and find the information in the bottle which is kept in the fridge.

Lions. . . Caring for the community

The Parish Council has a supply of these bottles. Should you wish to avail yourself of the use of one, you should contact a member of the Parish Council. Their contact details are on the inside back page of the Barford News.

An article about Gill Maddison, Barford St Michael

For over twenty years I was a tutor at a London Art School teaching carving in wood and stone specializing in lettering design, carved and incised work. During this time I was on occasion commissioned to carry out work for architects and private clients, often involving headstones, coats of arms and memorial tablets, some of the latter being for public buildings.

One interesting request was to design a sundial incorporating a coat of arms. It was agreed with the client that it should be done on a slate panel which was to be erected up on the rear wall of their house. The job worked out very well, my husband helped doing the calculations from the Ordnance survey and the compass notation for the gnomon and later arranging the installation.

The Clients house was a half timbered Tudor manor named "Stowe Maries" a few miles from where we were living at the time. The house at one time had been the private residence of Leslis Howard the well known film star who prior to the second World War had appeared in a number of films, the classic *Gone With The Wind* and was Professor Higgins in *Pygmalion*.

Leslie Howard tried to return to England during the War but was forestalled by the Germans who shot down the passenger plane in which he was travelling prior to its reaching Lisbon and it was lost over the Atlantic. He Germans always maintained he had been acting as a spy for the Allies, maybe they thought he was re-playing the part of The Scarlet Pimpernel again.

Barford Picture House...
our first film of 2020
WOMAN AT WAR on January 11th

Released March 2019
Duration: 110 mins
An Icelandic film by Director
Benedikt Erlingsson

Come to our cosy village cinema
Film starts at 7.45 and Hall opens at 7.15
Bring your own chairs and drinks
Tea and coffee available

There will be subtitles!

Is there anything rarer than an intelligent feel-good film that knows how to tackle urgent global issues with humour as well as a satisfying sense of justice? Look no further than "[Woman at War](#)," [Benedikt Erlingsson](#)'s gloriously Icelandic near-perfect follow-up to "Of Horses and Men," featuring an environmental activist modestly taking on the world, one electric pylon at a time. Commentators will be tumbling over themselves trying to define what kind of movie this is: comedy, musical, social drama, politically correct issue film? It's all those except the last; political correctness implies one-dimensional preaching that narrowly cuts off conversations, whereas "[Woman at War](#)" deftly centralizes a profound humanity from which vital issues are comfortably suspended.

Beautifully filmed and very 'current' in it's subject matter. Halla is a fifty-year-old independent woman. But behind the scenes of a quiet routine, she leads a double life as a passionate environmental activist. Known to others only by her alias "The Woman of the Mountain," Halla secretly wages a one-woman-war on the local aluminum industry. As Halla's actions grow bolder, from petty vandalism to outright industrial sabotage, she succeeds in pausing the negotiations between the Icelandic government and the corporation building a new aluminum smelter. But right as she begins planning her biggest and boldest operation yet, she receives an unexpected letter that changes everything. Her application to adopt a child has finally been accepted and there is a little girl waiting for her in

Ukraine. As Halla prepares to abandon her role as saboteur and saviour of the Highlands to fulfill her dream of becoming a mother, she decides to plot one final attack to deal the aluminum industry a crippling blow.

DEDDINGTON PRIMARY SCHOOL

December has been extremely busy, as it always is in school at this time of year!

All of our Christmas performances have taken place in

Deddington church and we would like to thank Reverend Annie for all her support whilst we have been using the church facilities. F1 and F2 put on a marvellous show, singing and dancing on the stage and wearing the most wonderful costumes for their Nativity play. KS1 performed 'Hosanna Rock' on Tuesday 10th December. This show involved the whole of KS1 but there were also some children singing in small groups or in solo parts. They sang so beautifully and sweetly, that it was just wonderful to hear. All children were brilliant and looked amazing. The narrators were equally superb in telling the Christmas story.

Finally, KS2 presented their songs and storytelling on Thursday 12th December, in the early evening. The standard of singing and performing was excellent and was noted and commented upon by members of our audience many times. We are exceptionally proud of all of our children who took part in these festive shows.

Our Christmas fayre was yet again another successful event. It took place after school during the penultimate week of term. The children across the school made items to sell, from wrapping paper to hot chocolate sachets made with Santa faces, fudge, mince pies, glass lanterns with candles inside, Christmas decorations and much, much more. It was an evening that was thoroughly enjoyed by all who attended.

Earlier this month, we all loved having a fabulous Christmas lunch cooked for us by our kitchen staff. The children pulled crackers too and generally had a great, festive lunchtime. We would like to thank all of our kitchen staff for the delicious dinner they prepared for us all.

In sport, some Year 5 and 6 girls took part in the County Cross Country Finals event. They did amazingly well and came joint sixth out of all of the Oxfordshire schools who took part. We would like to say a massive 'WELL DONE' to all of those children who were involved.

Finally, we would like to wish you all a very happy Christmas and a peaceful new year from everyone here at Deddington Primary School.

BARFORD VILLAGE MARKET

A reminder that we give our
Producers a well earned break and
Do not hold a market in January.

The next market will be on

15th FEBRUARY 2020

The total raised from the markets held in
2019 was £1,219.56
which is made up from table rents,
teas, the bread stall and the bacon
butties, all of which was added to
Village Hall Funds. Market profits
provide a valuable contribution towards
the maintenance and everyday running

The 'Tuesday Lunch Club' Christmas Dinner - 17th December....the Tuesday Lunch Club once again did us proud. Upon arrival we had mulled wine and canapes then over 50 of us were truly spoilt with a choice of roast turkey, beef or smoked cod for main course and lemon souffle, date and apple pie or chocolate & Baileys cheesecake. Thank you chaps, it was a great afternoon.

Coaching to optimise your transition

I specialise in coaching people through transitions plus any identity impact that often accompanies change. Typically, I coach people through the following:

- understanding what is blocking desired change like weight loss or hoarding,
- making decisions on when/if to change like changing jobs or moving home,
- coping with enforced change like redundancy or bereavement,
- managing new life chapters like becoming a parent or retirement, or
- making complex change manageable like parental care or divorce.

Coaching is a positive and constructive way of optimising your transition using a holistic approach to deliver tangible and sustainable results. I am a Masters-qualified coach but also have personal experience of instigating and achieving major transformations.

If you are unfamiliar with coaching, please look at the website or call me – I'll happily talk you through a typical coaching process. It usually

takes just 3-5 sessions to make a transformational and lasting difference to your life. Call now for a free discussion to explore what you want to achieve and how I might be able to help.

THE BARFORDS' 2019 POPPY APPEAL: A RESULT

All Barfordians can sit back with contented smiles on their faces. They have again been very generous as usual. The grand total this year from all sources amounted to £1144.09. The house to house collection was £684.09, the static collections i.e. The George and the Post Office, totalled £154.80 and the Remembrance Service a magnificent £280.20. Donations were also received from the Parish Council £50.00 and the Fernhill Club £25.00

Barfordians have really dug deep but this would not have happened without the willing band of collectors who continue to volunteer to go to every house in the Parish knocking on doors or put a tin on their counter. They are:

Barbara Greenwood

Lucy Norman and Carol Hopkins (in Angus's absence): who as usual not only collect in St Michael but also cover St John as well

John Langlands

Jim and Aggie Booth

Jan Elvidge

Barbara Alt: with a box on the counter of the Post office.

Dan Brewer with a box on the counter in The George...and myself

Without those willing helpers I would be in a right pickle so I thank them all on behalf of the Royal British Legion and you, the generous subscribers to the Poppy Appeal, for their willing and unstinting help every year.

A couple of notes of interest:

Over the 20 or so years I have been organising the Appeal the collection at the George has been around £30.00. This year it was £104.80! All the collectors remarked that there were a number of householders commented "we only use plastic now". The Royal British Legion will have to change its methods of collection.

THANK YOU ALL VERY MUCH ON BEHALF OF THE ROYAL BRITISH LEGION

Bernard Lane, Poppy Appeal organiser for the Barfords

BARFORD GREEN GARDEN CLUB NOTES FROM OUR POTTING SHED JANUARY 2020

*"Bare branches of each tree
on this chilly January morn
look so cold so forlorn.
Gray skies dip ever so low
left from yesterday's dusting of snow.
Yet in the heart of each tree
waiting for each who wait to see
new life as warm sun and breeze will blow,
like magic, unlock springs sap to flow,
buds, new leaves, then blooms will grow."*

- Nelda Hartmann, January Morn

FUTURE PLANS ... So far we have two confirmed events. Our **AGM** will be held on **17th February** and a month later we will have a talk entitled "What's new in Seasonal Colour" by Stuart Lowen of Colegrave Seeds. This will be on **March 16th**.

Seed Orders: Amazingly, we ordered more than £500 worth – enough to qualify for 50% discount! Thanks to those who ordered, and of course to Rodney Hobbs who organises this for us every year.

Jobs for January Often the coldest monthJanuary might be the middle of winter but as the days lengthen the garden starts to grow. Now is a great time to plan for the coming gardening year and to order seeds and plants. Enjoy the fresh air, on dry sunny days, and check your winter protection, stakes, ties and supports are still working after any severe weather. Also put out food for birds and leave some garden areas uncut, a little longer, to provide shelter for wildlife in your garden. Recycle your Christmas tree by shredding it for mulch; Clean pots and greenhouses ready for

spring; Dig over any vacant plots that have not been dug already;

Disperse worm casts in lawns; Inspect stored tubers of *Dahlia*, *Begonia* and *Canna* for rots or drying out; Prune apple and pear trees; Start forcing rhubarb; Plan your vegetable crop rotations for the coming season; Make a polythene shelter for outdoor peaches and nectarines, to protect against peach leaf curl. Plant roses, but avoid areas where roses were previously grown as this can lead to problems with replant diseases.

Continue to plant bare-root deciduous hedging plants and trees. Stakes should be put in place before the rootball to avoid damage to the roots. Move established deciduous trees and shrubs, provided the ground is not frozen or waterlogged. Take note of the most vibrant dogwoods (*Cornus*), *Salix* and white-stemmed *Rubus* shrubs for a display of coloured stems. Seek out scented winter shrubs, such as *Hamamelis*, *Sarcococca* and *Chimonanthus*, when visiting gardens open to the public, or in garden centres, and consider planting them for a winter display

More can be found each month on the RHS website.

The Committee, consisting of Lavinia (Crowther), Janet (Morris), Linda (Newbery), Trevor (Stevens) and Gunilla, is organising more talks and visits for next year. Please let us know if you have any good ideas. Details will be given in future Barford News, and members will receive an email as well.

**NEW MEMBERS ARE ALWAYS
WELCOME.**

The days are getting longer! Hoorah.

Happy New Year and
Happy Gardening!

SPADE AND FORK

Hello everyone

It seems hardly any time has passed since the dawning of 2019 but here we are at the beginning of a New Year. Happy New Year to you all, 2020!

In the Church we are still celebrating the twelve days of Christmas until 6th January, Epiphany, when we remember the three wise men coming to see Jesus. We often overlook the 12 day of Christmas, but this is the time to relax and enjoy visiting with family and friends after all the hustle and bustle. And of course, in many homes discussions will have been had about when to take the decorations down! Some taking them down straight away, others waiting for Epiphany! And of course, the turning of the year is a time to reflect back on the old year and to look forward to the one ahead. 2019 may have been a challenging year, or a positive year, most likely a mixture of both. Now is the time, that having looked back, we look forward to new beginnings and often make New Year resolutions. Having read that 65% of us give up our New Year resolutions before the end of January, I thought I would share the top 4 'unusual ones' listed for this year.

1 'get your photo taken in five interesting places', 2 'learn a decent party trick', 3 'break a record' and 4 'make a new friend a month'. They all seem to involve engaging with other people and getting out and about. I particularly like the idea of making a new friend each month, I think speaking to someone new each month would be a good start. Of course, there will be those amongst us who can not get out to meet up with other people, so let us remember them and keep a watch out for those known to us, particularly in these darker winter months.

I hope you continue to enjoy the 12 days of Christmas, visiting family and friends, and that you will make many new friends throughout this coming year - whether that is a New Year resolution or not.

Many blessings to you all, Revd Paula

The Barford Churches are supporting Baby Basics which is a volunteer-led project aiming to support new mothers and families who are struggling to meet the financial and practical burden of looking after a new baby.

Baby Basics provides much needed essentials and equipment to mothers and families who are unable to provide these items for themselves; including but not limited to teenage mums, people seeking asylum and women fleeing domestic abuse and trafficking.

Working with midwives, health visitors and other professional groups to provide support directly where it is most needed, Baby Basics volunteers prepare a 'Moses Basket' of clothing, toiletries and essential baby equipment as an attractive gift to new mothers.

We have a box in St Michael's church for donation such as:

New items in unopened packets

- Maternity pads
- Sanitary towels
- Hand soap
- Baby soap
- Baby shampoo
- Mum shampoo
- Newborn nappies
- Baby wipes

Good condition second hand items

- Moses baskets
- Newborn clothing
- Bedding
- Towels

If the church is locked you can also give things to Tony Elvidge (338214) or Sue Addison (338017).

Many thanks

Tony Elvidge & Sue Addison, Churchwardens

Deddington PFSU and Village Nursery

The children have greatly enjoyed their Christmas celebrations. We held two successful decorations afternoons at Pre-School where parents joined us to help prepare the classroom for Christmas.

Nursery held a craft morning where the children had loads of fun getting covered in glue, glitter and icing sugar. They also sang their Christmas songs to the visiting parents and impressed us all with their knowledge of the words and actions. Pre-School joined with their friends in the F1 class for a performance of 'A Miracle in Town', which delighted everyone who watched it. Our Christmas Fayre in Deddington Church was a great success and raised over £2200 for the Pre-School and Nursery.

Thank you to everyone who gave us their support. We'd just like to give you a final reminder that the deadline for Primary School applications for next September is 15th January 2020. Happy New Year!

DEDDINGTON FIRE STATION

The Scenario 2 training day at Moreton in Marsh proved interesting and worthwhile as the Deddington crew were able to put out fires and search for casualties in controlled situations whilst under the watchful eyes of instructors. 3 scenarios were presented during the course of the day: a domestic dwelling with a ground floor fire, a light industrial unit with a first- floor internal fire and a shopping centre with a fire adjacent to the loading bay.

As colleagues from Bicester fire station were also attending, 2 crews with 2 separate appliances were operating. In each case, crews had to locate both the trapped casualties and control / extinguish the fire. Despite the weathers best endeavours to put the fires out with torrential rain, each scenario was completed successfully with crews working very well together and tackling the situations correctly.

Each appliance ran an Incident Commander, Pump Operator, 2 Breathing Apparatus crew and one BA commander and a 6th fire fighter. Crews alternated between the domestic and light industrial fires before lunch time, and combined together to attend the supermarket fire as a 2 pump incident. After each scenario was completed, an immediate "on site" debrief occurred, with a more detailed round up and discussion in the class room at the end of the day – and after welcome hot showers!
